

Eva and Reggie's Florida Road Trip!

Pensacola

Hi, my name is Reggie and this is Eva.
We are taking a road trip across Florida
to all of the cities where the Florida
Baptist Children's Homes have cottages.
Our first stop is here in Pensacola!

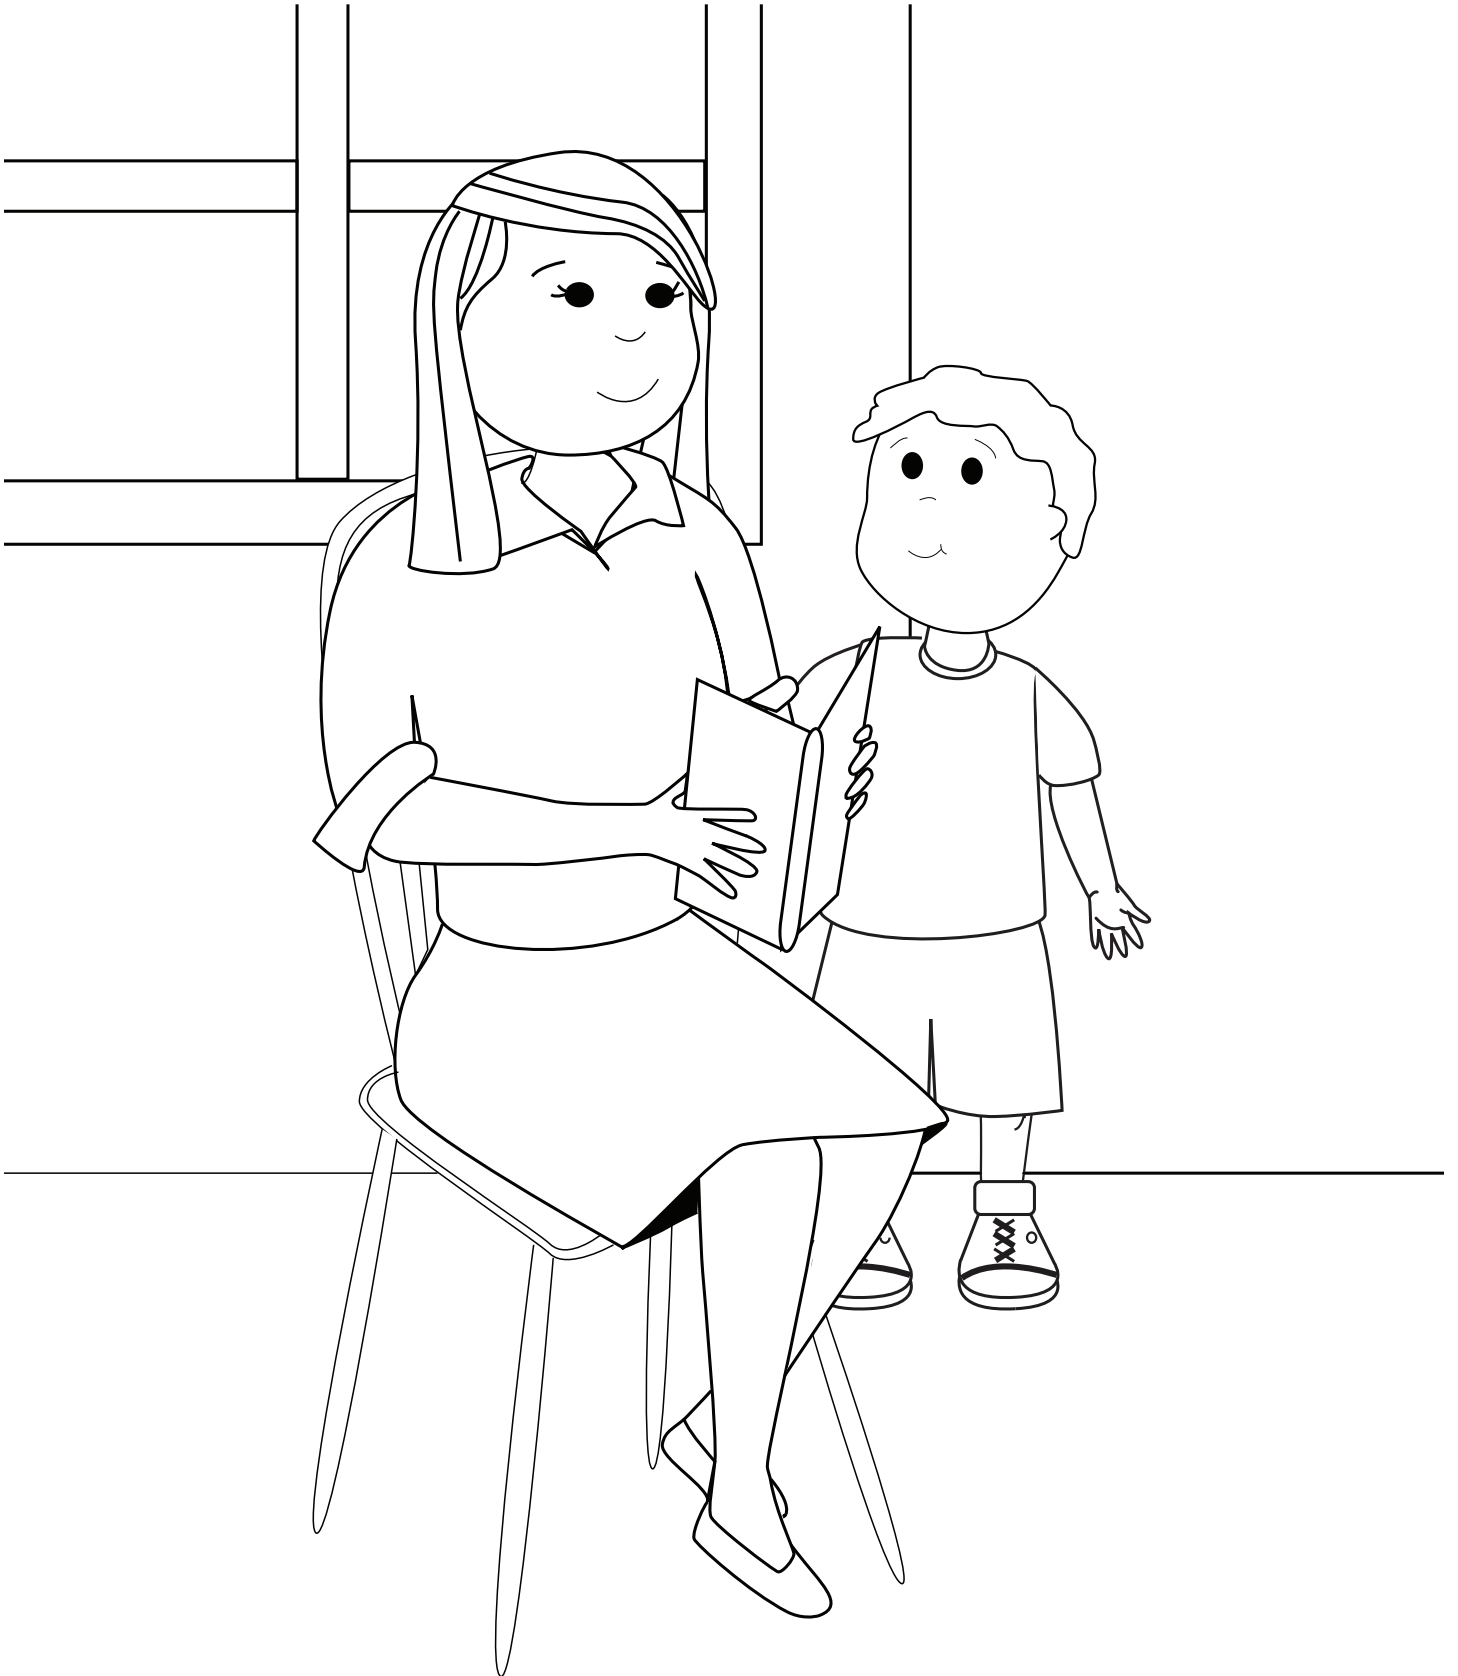

A cottage is a home where boys and girls live. They do chores, play and go to school just like us!

Tallahassee is our next stop. There are four cottages on the Tallahassee Campus. Can you help us find our way from the Learning Center to York Cottage?

Tallahassee

At the Children's Homes, boys and girls pray and read their bibles with their house parents. House parents are men and women who take care of the children.

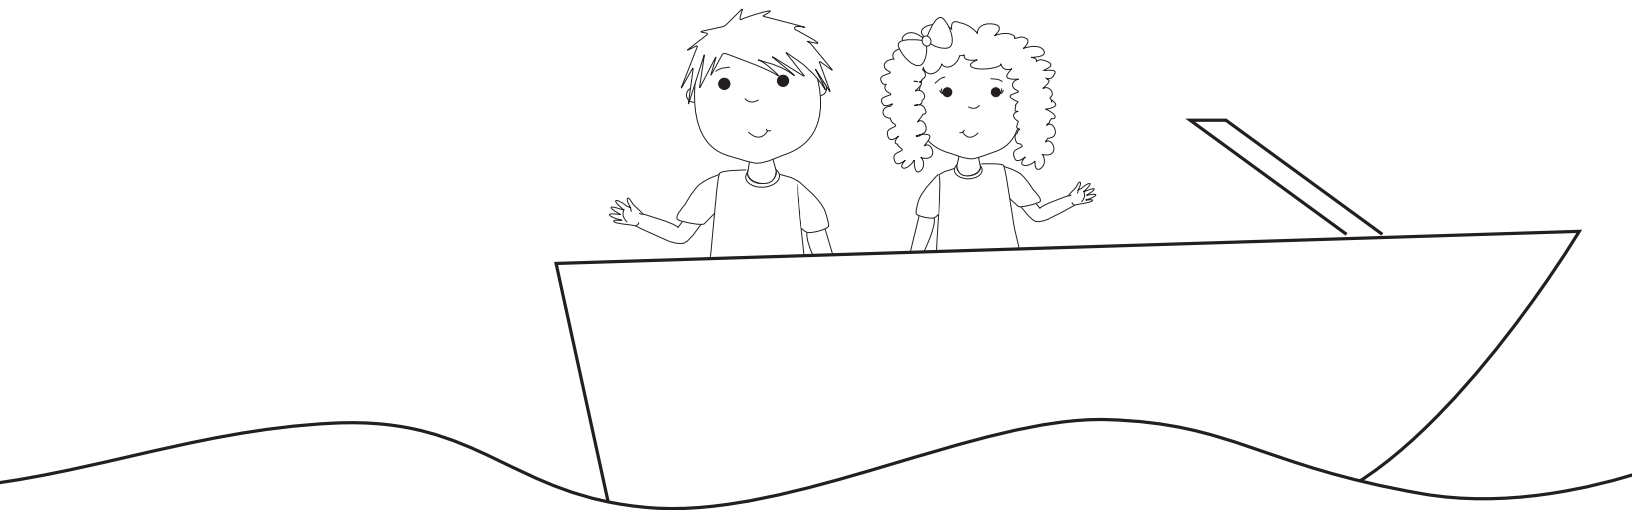

Jacksonville

The Jacksonville campus has horses for the children to ride!

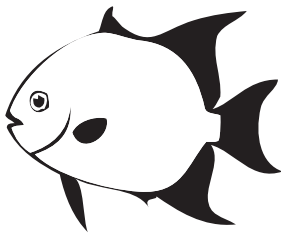

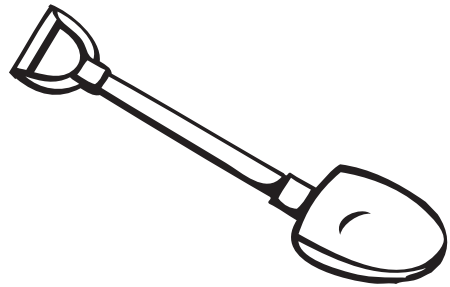

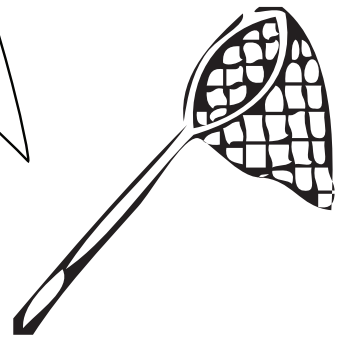

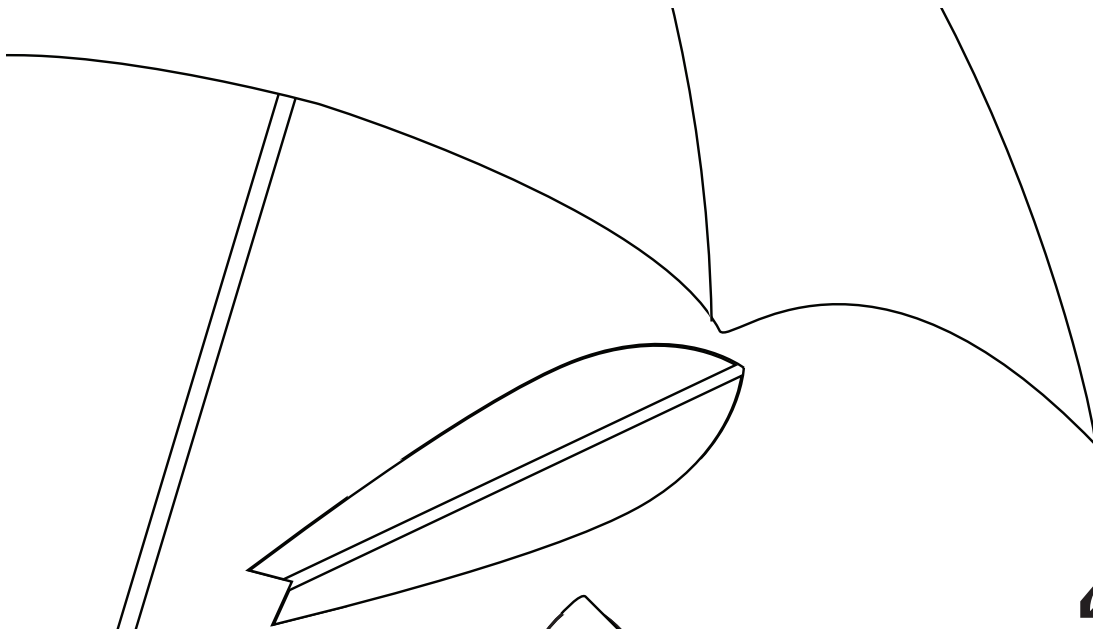

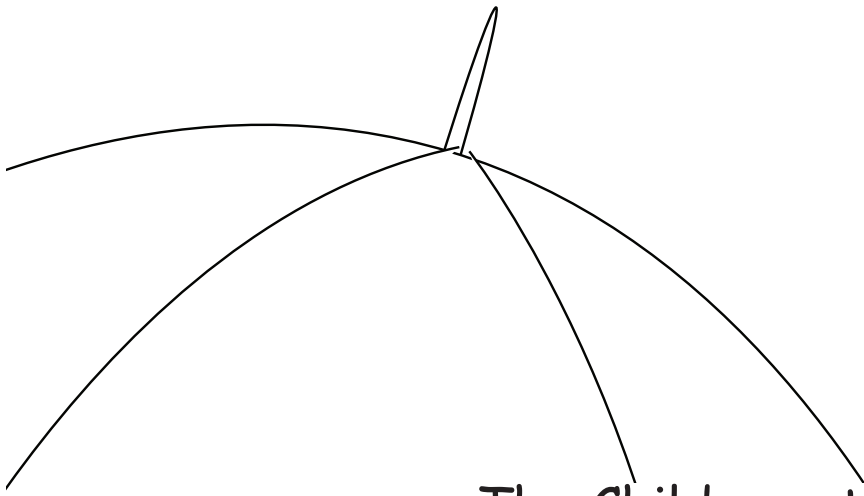

The Lakeland campus was founded in 1948 when it was moved from the town of Arcadia!

Now we are in Lakeland! There are over 38 lakes in Lakeland so we have fun with watersports!

Ft. Myers

The Children at the Ft. Myers campus
enjoy trips to the beach!

Can you help match the pairs together?

Be a partner in the ministry of the Florida Baptist Children's Homes!

The Florida Baptist Children's Homes cares for abused, neglected, and orphaned children in Florida and in the developing world in places like Guatemala, Honduras, Haiti, and Russia.

We invite you to learn more about the Florida Baptist Children's Homes at our website at **www.FBCHomes.org**.

God's people have been supporting the ministry of the Florida Baptist Children's Homes since 1904. People of all ages are truly helping to make a difference in the lives of disadvantaged children.

There are many ways that you can lend a hand to this ministry. Following are some ideas to consider:

- Collect an offering for the Children's Homes as part of your Vacation Bible School or Sunday school class activities.
- Organize a group to volunteer at one of our campus locations. Contact the campus nearest you for a list of the many different needs that they have. See our website for our campus locations.
- Join us on one of our international childcare mission trips. We have several family mission trips available throughout the year that older children can participate in.
- Set aside a time during Vacation Bible School or your Sunday school class to pray for the Children's Homes.

Helping the Children's Homes is a great way for kids to learn about putting their faith in action. Our website has several examples of what other children have done to help the Children's Homes. Go to our website and under ***Ways to Help*** click on ***Kids Helping Kids***.

Thank you for all that you do to bring the hope of Jesus Christ to abused, neglected, and orphaned children. You are making a difference!
